

Wear your single-cell data everywhere!

Receive your free T-shirt with your own custom single-cell data included in the purchase of your first Asteria™ kit!

How to receive your T-shirt:

1. Generate your single-cell clusters on Cytonaut™ Rover from the sequencing data obtained with the Asteria™ kit.
2. For the front of the T-shirt, save your desired figure in .svg format thanks to the dedicated feature on Rover.
3. For the back of the T-shirt, provide us with 20 selected lines of your choice from your FASTQ file.
4. Send the files alongside your Purchase Order number and your preferred T-shirt size and gender (see next page) at info@scipio.bio
